

formwise  
washrooms

edge

An ultra-modern yet timeless cubicle delivering clean lines,  
flush façade and high quality furniture.

# edge

Flush frontage, affordable luxury – washroom styling at its best. 44mm thick doors and pilasters and 30mm thick partitions run floor to ceiling with minimal / zero ground and ceiling clearance.

All the fixings to surrounding floors, walls and ceilings are completely hidden from view to add to the uncluttered appearance. The cubicle doors are hung on high quality self-closing hinges and are complemented by the minimalistic contemporary indicator bolt. Edge cubicles are manufactured to your exacting standards and are faced with either FSC certified real wood veneers that are matched across the cubicle face, high pressure laminate including ultra-high gloss and ultra-matt finishes, toughened back painted glass or solid surface materials. This versatile system can be installed in conjunction with solid dividing walls for use in unisex washroom and superloo facilities.

## Features

- Flush frontage
- Minimal look and clean lines
- Stainless steel furniture
- Wide choice of material options

## Details

Up to 2800mm overall height  
20mm / 0mm ground clearance
