petrus tall

Petrus Tall offers multiple material options to deliver maximum impact and yet remains the most economical rebated, flush fronted cubicle system on the market today.

petrus tall

Maximum style and maximum privacy on a budget, flush fronted doors and pilasters, high quality cubicle fittings and multiple material options make Petrus Tall cubicles the ideal contemporary washroom choice.

Petrus Tall cubicles can be supplied in 3 different board performance options to your meet project budget and to suit the design statement you want to make. Choose MFC and you have a choice of over 56 different colours and patterns for this entry level cubicle. Opt for HPL and the colour choice extends to 100's of colours and patterns but the cost is still surprisingly low. Our polyurethane finished panels can be supplied in any RAL colour to allow your washroom to be as individual as you are. Cubicle doors and pilasters are 38mm thick and the partitions are 20mm thick, alternatively the cubicle fronts can be installed in conjunction with solid diving walls.

Features

- Floating appearance
- Clean lines and modern look
- Flush fronted
- Wide choice of material options
- Stainless steel furniture

Details
